Believing in future education, Connie McNamara utilizes this foundation as a writer and author of collegiate books for children. Contributing fun, colorful and exciting knowledge to young leaders of tomorrow is her goal for writing the books. Connie uses traditions, logos and trademarks of colleges and universities to introduce children to these higher institutions. A graduate of Fontbonne College, Clayton, Missouri, Connie holds a degree in elementary education with an emphasis in English. As a former elementary school teacher, Connie wrote and published her first collegiate book, *My First Notre Dame Words: Go Irish* in 2003. This premier book was written in memory of her late husband, Jerry, a graduate of the University of Notre Dame. Currently, she is in the process of writing and promoting collegiate books at various colleges and universities. Her writings introduce children to their parents' alma mater and enable them to gain knowledge and excitement of higher institutions for their future use. Connie enjoys travel, culinary arts, sporting events, bridge, and above all, visiting with her extended families.

Honestly this book has about 10 words in it. I was really "meh" about it once I got it ... except our toddler keeps pulling it out over and over again for us to read these 10 words. I don't know why she wants me to say "Century Tower" or "The Swamp" over and over again but she LOVES this book! It doesn't have any kind of plot and the pictures are pretty simplistic but her love for it is why I'm giving it 4 stars. If you can get it used for a few dollars its worth it I suppose for any Gator's fan. There are better books out there for sure but she LOVES this one.

There is nothing offensive about this baby book except that there are only about 10 words in it. I graduated from that university and I could have come up with 10 better words. I cannot with any conscience give this as a gift to a baby I know and love. It would offend the parents. I'm going to donate it to a library. Please don't let your babies to grow up to be suckers like me. I should have read the reviews first.

This book is pretty boring, we definitely have found better Gator board books. Got it to give as a gift and was a bit disappointed.
