AFOQT Study Guide: Test Prep & Practice Test Questions For The Air Force Officer

Synopsis

AFOQT Study Guide: Test Prep & Practice Test Questions for the Air Force Officer Qualifying Test

Developed for test takers trying to achieve a passing score on the AFOQT exam, this comprehensive study guide includes:

- Quick Overview
- Test-Taking Strategies
- AFOQT Introduction
- Verbal Analogies
- Arithmetic Reasoning
- Word Knowledge
- Math Knowledge
- Reading Comprehension
- Situational Judgement
- Self Description Inventory
- Physical Science

Each section of the test has a comprehensive review that goes into detail to cover all of the content likely to appear on the AFOQT exam. The practice test questions are each followed by detailed answer explanations. If you miss a question, it's important that you are able to understand the nature of your mistake and how to avoid making it again in the future. The answer explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not only understand the material that is being covered on the test, but also must be familiar with the strategies that are necessary to properly utilize the time provided and get through the test without making any avoidable errors. Anyone planning to take the AFOQT exam should take advantage of the review material, practice test questions, and test-taking strategies contained in this study guide.

Customer Reviews

Giving this book two stars is generous. Very little book or guidance for the price. Also, goes about reviewing some of the math concepts in a convoluted, poorly thought out way. Worst of all, it has wrong answers when going through some of the math concepts. Much better off buying the Peterson's Mastering the Officer Candidate Test, even if that is not completely up to date on all the AFOQT sections.

I really enjoyed it. It's so concise and straight to the point of what's needed. The situational judgment answering numbering was confusing, and I had to refer back often which added extra time in review. Three of the answers for the table reading exercises were clearly wrong. But... I can't let those faults take away a star, because I feel waaaay more prepared for the test now.

definitely helped, the math sections we're more complex than the examples in the book though

Honestly I was expecting more for the price. The book is small, and typos are frequent. It gave me a decent basis for the test, but the mistakes do not instill confidence.

Best value for the price. It gives concise yet solid base knowledge for every section.

this book is an amazing refresher and overview! I have taken the test twice without studying and this book was everything I needed to prepare!

This study guide is a great way to start studying for the AFOQT as it underlines each section of the test with information you will need to know as well as a practice test to go with each section.

Not updated for new test
