Great service and good quality book. If I would recommend any improvement, I would request that the manufacturer please include the colors of the tubes on the music notes. That would allow music teachers like me to simply copy and enlarge the sheets to many times their size,(chart paper size!), so classes of kids with Boomwhackers could see the notes and begin playing so easily! I put the colors on and then enlarge, which works too.Thanks for a helpful product; the kids love playing Boomwhackers!Karen
