Unthinkable Sins 2: The Family

Synopsis

UNTHINKABLE SINS 2: The Family Lies. Adultery. Betrayal. Murder. Hattie Durham committed some Unthinkable Sins in her lifetime, but now she's gone, leaving her three sons and their wives behind to deal with the fallout. THE SONS Junior wants to escape his past as he learns the truth about how his mother died. But will his need for revenge and his own past sins come between him and the family he loves? Carl has been carrying a terrible secret alone all these years and can't bear the weight anymore. Can he keep it together with his family's help or will the burden break him? Jerome is blessed with everything a man could want influence, power and a destiny to fulfill. But when life deals him an unexpected blow, will the family have his back or will they fall apart around him? AND THEIR WIVES Donetta finds her self-confidence growing along with her doubts about her husband's fidelity. Are their marriage vows enough to keep her in the family now that she has what it takes to make it on her own? Trudy senses the strain on the family in the wake of her mother-in-law's death. Will she be able to help keep the ones she loves from self-destructing or is her own life in danger? Susan managed to escape an uncertain past, leaving behind a few bodies in her wake. Will her dreams of love and success finally come true or ultimately be overshadowed by Hattie Durham's death? Find out now in UNTHINKABLE SINS 2: The Family

Customer Reviews

This was a good read. I enjoyed the story line and hope to see more from this author in the future. However, I think the author should either edit the book several times prior to publication's use a professional. There was one chapter which Junior and Jerome got mixed up. Susan made a trip with Junior but the author accidentally called Junior Jerome. Overall it was a good read.

The saga was a little disappointing. i was hoping that justice would be served and that everyone wouldnt have been so quick to "turn the other cheek" but overall just like book 1 i really enjoyed it.

I've read both and both were page turners. A fresh story line. Not the latest, predictable, and trendy plot of late.

The first book left me on edge...wondering how it would all be resolved. I couldn't be more pleased after not being able to put this book down. Definitely entertaining with enough drama for nighttime tv.

This book was as good if not better than the first one. I was so hoping Susan would get what was coming to her but in the end God has the final say. I want to read more books by this author.

The story transitioned very well from the first book. The story was excellent. However, my main criticism is as it was about the first book. The author needs a more educated person to edit the text.

Very good read! I love how it tells the story in a way that the reader can relate to in real life.

I couldn't put the book down. Going through different generations was exciting. I felt like I lived it. I would recommend this.
