Smiling In Slow Motion

Synopsis

Written between May 1991 and February 1994, and ending just two weeks before his death from an AIDS-related illness, Derek Jarman's entries in *Smiling in Slow Motion* pick up where *Modern Nature* left off. Friends and enemies are reviewed as he races through his last years painting, filmmaking, gardening, and annoying his targets through his involvement in radical politics. Infused throughout with familiar honesty and wry humor, *Smiling in Slow Motion* is a document of endeavor, remembrance, and love.

Book Information

Paperback: 400 pages

Publisher: Univ Of Minnesota Press (March 30, 2011)

Language: English

ISBN-10: 0816674531

ISBN-13: 978-0816674534

Product Dimensions: 5.5 x 1 x 8.5 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #599,424 in Books (See Top 100 in Books) #117 in [Books > Arts & Photography > Photography & Video > Cinematography](#) #746 in [Books > Arts & Photography > Other Media > Film & Video](#) #1063 in [Books > Gay & Lesbian > Nonfiction > LGBT Studies](#)

Customer Reviews

"The clarity with which Derek Jarman offered up his life and the living of it, particularly since the epiphany I can call it nothing less of his illness was a genius stroke, not only of provocation, but of grace." Tilda Swinton "These journals, far from being the product of a morbid defeatism, are on the contrary the life-affirming expression of an artist engaged in living to the full. Required reading." The Times (London)

One of England's foremost filmmakers, Derek Jarman (1942-1994) wrote and directed several feature films, including *Sebastiane*, *Jubilee*, *Caravaggio*, and *Blue*, as well as numerous short films and music videos. He was a stage designer, artist, writer, gardener, and an outspoken AIDS and queer rights activist in the United Kingdom and the United States. He is the author of several books, among them *Modern Nature*, *Chroma*, and *At Your Own Risk*, available from University of Minnesota Press.

Published journals by their very nature can be dull and opaque. If you're not familiar with the author's creative work and life it's easy to get lost in a forest of names and references which leaves you feeling bored and alienated. For this reason, journals generally dissuade you from reading them cover to cover though they may be quite illuminating when dipped into. That's not the case with this, the final volume of Jarman's journals. The way he writes is so direct and frank that it is utterly compelling. I didn't want to skip any of it. Jarman's uncompromising approach to art and life must have alienated a lot of people (on the margins as well as in the mainstream). Good! We need to be shaken up. Jarman shows his courage here but also his vulnerability. The journals are never mawkish or sentimental, but they left me greatly moved. Jarman continued to work on films, books and paintings while dealing with the daily burden of HIV-related illness and this book documents that process. It's also very much about the people who surrounded him and the things he liked to do, particularly in relation to his cottage and the unique and celebrated garden at Dungeness. Vale, Derek. I wish I could have told you how much I admire you.
