Steel & Stone Companion Collection (Steel & Stone Book 6)

Synopsis

Steel & Stone Companion Collection • 12 new stories from the Steel & Stone series, narrated by Ash and Lyre. From her first fateful glimpse of the Sahar Stone to the explosive battle in Asphodel, Piper fought with Ash and Lyre beside her. A draconian and an incubus • an unlikely friendship of two skilled warriors, deadly in very different ways, both hiding dark secrets and dangerous pasts. Now, return to the Steel & Stone world • this time through their eyes. In this collection of short stories set on the same timeline as the original series, Ash and Lyre reveal a whole new side to the trials they faced • both familiar scenes and never-before-seen adventures. Discover Ash's first impression of Piper, their fight in the Styx ring, Lyre's secret role in the escape from Asphodel, and more. This captivating encore to the Steel & Stone series includes 12 all-new stories that complement and expand on the most pivotal moments of the series. And exclusively in this edition, read the first chapter of *The Night Realm* (Spell Weaver: Book 1), a new book set in the Steel & Stone universe. The Complete Steel & Stone Series: Chase the Dark (Steel & Stone #1) Bind the Soul (Steel & Stone #2) Yield the Night (Steel & Stone #3) Feed the Flames (Steel & Stone #3.5) Reap the Shadows (Steel & Stone #4) Unleash the Storm (Steel & Stone #5) Steel & Stone Companion Collection (Steel & Stone #6)

Customer Reviews

I absolutely love this book. I was a little unsure about the fill-in scenes to the Stone and Steel series, but they were riveting. I couldn't put the book down even though my eyes were burning with exhaustion. When watching Highlander the Series with extra minutes included that were often character-driven, we used to call them Euro-minutes since Europe got them when they were cut for US broadcast. This is like getting delicious Euro-minutes for the Steel and Stone series. I adore Lyre and love seeing his perspective, not that Ash is any slouch either. Scenes that are just mentioned in the books are explored more and answer burning questions I had while reading the series. If you haven't read the series, read them first or at least read the book, then short stories for those chapters. It adds so much! I am going to go back and read the books again, pausing to read the added scenes as I go. I love Annette Marie's writing and her attention to detail. She writes characters you fall in love with. Treat yourself.

This book... it felt like coming home. I've read the first 5 (and a half) of the Steel & Stone series more times than I've kept track of, and each time I was sad to let it go at the end; so finding out Annette Marie was going to continue the series was like Christmas, my Birthday, and a hundred Fridays all rolled into one. And as anticipated as this companion book was, it did not disappoint. Seeing S&S through Lyre and Ash's eyes was just as exciting as it was through Piper's and the only possible complaint I could come up with is I NEED MORE! Seriously, would it kill you to give Zwi a novella of her own?! Gah!

It was so exciting to read some of my favorite scenes from Lyre and Ash! There were even gaps that were filled in that I didn't even know I wanted. I love these characters and these worlds that Steel & Stone bring and I cannot wait for the Spell Weaver series. I can't get enough of this series and I'm so thankful for this addition to it!

Fabulous! I loved seeing the story from their POV! Being able to learn how Ash and Zwi's bond works was one of my favorite things, besides seeing inside his mind and learning about his feelings for Piper. I can't wait for Lyre's story, reading his POV brought up so many questions about his past!

I could not put this book down. I've read books before told from different perspectives that are basically the same story told with no new information. In this retelling of the series though we find out things about the world Annette Marie built that's different then just what we learned from the main story arc. Cannot wait for the next novel in this world "The Night Realm: Spell Weaver Book 1". Recommend this book if you enjoyed the main story arc.

I loved every second of this. Reading some of my fav parts from the original books in Ash and Lyre POV was so cool!! I also loved the chunks especially the new ending. So much better then the original and clearer!!! I cant wait for Spell Weavers!!

Friggin love this series. I love to hear the boys point of view on a lot of what happened in the S&S series. I loved Lyre and Ash before but omg I love them so much more!!! Cannot wait for her next installment!!!!

I loved finally knowing some insights point of view of the guys Ash & Lyre! It was fun, innovative & refreshing! Only few dislikes... At the beginning it was a bit confusing & different. I had to refresh my memory! But it wasn't complicated! & i know the author had to choose limited scenes but there was one i really was curious about Ashe's point of view & it was when they were hiding in the boiler room. Otherwise it was amazing!
