Roadfood, 10th Edition: An Eater's Guide To More Than 1,000 Of The Best Local Hot Spots And Hidden Gems Across America (Roadfood: The Coast-To-Coast Guide To The Best Barbecue Join)

Synopsis

A cornucopia for road warriors and armchair epicures alike, *Roadfood* is a road map to some of the tastiest treasures in the United States. First published in 1977, the original *Roadfood* became an instant classic. James Beard said, "This is a book that you should carry with you, no matter where you are going in these United States. It's a treasure house of information." The 40th anniversary edition of *Roadfood* includes 1,000 of America's best local eateries along highways and back roads, with nearly 200 new listings, as well as a brand new design. Filled with enticing alternatives for chain-weary-travelers, *Roadfood* provides descriptions of and directions to (complete with regional maps) the best lobster shacks on the East Coast; the ultimate barbecue joints down South; the most indulgent steak houses in the Midwest; and dozens of top-notch diners, hotdog stands, ice-cream parlors, and uniquely regional finds in between. Each entry delves into the folkways of a restaurant's locale as well as the dining experience itself, and each is written in the *Sterns'* entertaining and colorful style. "The bible for motorists seeking mouthwatering barbecue or homemade pie." - *USA Today*

Customer Reviews

"Praised by the *Splendid Table*, *Gourmet*, and original American gourmand James Beard, the book is both food guide and anthropological exploration of America's mostly rural foodways. It's also...an extremely compelling argument to plan a road trip across a region or even the country. If you don't already own a copy, or if yours is more than a decade old,

now it's the time to put this in your shopping cart." --Eater

JANE and MICHAEL STERN are the authors of more than twenty books about America. Their Roadfood column for Gourmet has won three James Beard Awards. Their Roadfood segments appear regularly on the Television Food Network, and their website, www.roadfood.com, was selected 2001 site of the year by Yahoo. Also regular contributors to NPR's "The Splendid Table," the Sterns live in West Redding, Connecticut.

I have bought every issue of this book and keep it in my car for road trips. Totally trustworthy . Local food with great info about the places. Does it have every single roadfood stop in a state? Nope, only the very best. taking it to Maine this summer!

These guys, the Sterns, are great. An all-encompassing review of thousands of the roadside restaurants, greasy spoons, weird food places and any place that serves up good eats. I have been following the Sterns since the late 70's or early 80's and they never disappoint. Buy this book!

I love all of the Road Food books and any book by the Sterns. Lots of great new places to check out and also brought back some great memories of place I had been too in this area ...and now I will visit those again. Definitely a "Keeper" book. Betty Parr

When I go out of town I try to go to small hometown places. I love this little guide. It also tells you a description of the place which I love when I have my picky eaters with me.

Obtained a copy from the local public library and enjoyed it so much I had to have a copy for continuing use. Based on a half-dozen restaurants we have visited, it appears the reviews are accurate,

Have not been to any except one local one and it deserves recognition (Sokolowski's). Sites are not real numerous and special trips would needed to find many of them. The descriptions are helpful.

Check out possibilities when you plan on venturing out. Not the high end places, but where the locals enjoy eating.

WE WILL DEFINITELY ENJOY USING THIS BOOK TO FIND GOOD PLACES TO EAT ON OUR UPCOMING TRIP.
