Marco Polo Travel Publishing offers a wide range of high quality cartographic products and travel guides. Marco Polo Pocket Guides are known for their handy, compact format and Insider Tips. Our Travel Handbooks are the first to include infographics and our Spiral Guides feature unique lay-flat spiral binding. Marco Polo Maps are famous for the high quality of cartography in their Country, City and Holiday Maps.

My attention was first drawn to Sardinia when I read a novel where Sardinia, the setting was very strong. Just the atmosphere, food and general feel were beautifully evoked, something a little different from mainland Italy. So with a possible visit to Sardinia in mind I picked up Perfect Days in... Sardinia and found that everything already picked up in the novel was reflected in the guide book. The guidebook is a handy size (handbag size and spiral bound which makes it easy to use) and introduces the reader to the different parts. I must admit I never realised quite the history and how far back in time it goes - the nuraghe are definitely on my list. And I think the thing that settled it for me was the fact that Sardinia has Italy's most beautiful coastline, it says, although the people

who live tend to shy away from the sea because of the all the invasions they have suffered over their history. Insider tips for where to stay, eat and what to see are really helpful for a first time visitor. A really good guidebook to give you a good overview.
