## Customer Reviews

The digital copy of this rules book makes the test and quick rule look up so much easier. I much prefer this to the physical book, I read it on my kindle and have it available on my phone. Being able to search a rule to show a coach after a game is awesome, and much quicker than trying to find the same rule in the hard copy.

A must for coaches in this modern day, at your fingertips on your phone.

I like that it's on my phone for fast rule look up if needed. All officials would benefit having this.

Excellent product works as advertised.

Just as good as hardback copy, and I keep it with me at games.

This is a great resource!

Liked being able to get kindle version of rule book before I got the hard copy.

Real good. A little awkward to search on the mobile apps
