Customer Reviews

Boris Dänzer-Kantof, historical consultant and editor, is the author of numerous works on social and institutional history. A passionate believer in the importance of memories and popular heritage, with a particular interest in vintage images, paper ephemera, and far horizons, he has also researched the illustrations for a number of books on travel, including *First Class: Legendary Ocean Liner Voyages Around the World*, *Palaces et Grands Hôtels de L'Époque*, and *The World of Department Stores*.

This book is full of many wonderful old photos - some in color and some in b&w (including sepia) - and also lots of beautiful ephemera. The written information is very interesting, too.
