Customer Reviews

Just returned from Germany. The map in addition to the rental car having GPS were good. We new we were always going in the correct direction.

IN Germany, not enough detail

Exactly what I needed.

It was good to have a map of Germany, since I was visiting small towns near Hannover. Thanks.

very good map for planning and covers most roads.

Clear info. It aided us with our google map.

Easy to read with enough detail to get us where we were going.

Better than find roads on computer's screens. You open it on your table and have all the country upon your eyes. Easy like this!!!
