Countdown (The Men Of The Sisterhood)

Synopsis

In the second episode of a spectacular series from New York Times bestselling author Fern Michaels, the men in the Sisterhood's lives join forces to protect the underdog and see justice served. It takes a special kind of man to love and be loved by one of the Sisterhood. The women's escapades have brought them worldwide fame and created a bond among their menfolk too. But now, Jack, Ted, Harry, Joe, Bert, and Abner have formed a secret group of their own and they've got a project in mind "taking down some of Washington, D.C.'s most ruthless slum landlords. First step: making reparations to the tenants who've suffered. Second step: making sure the bad guys pay. Ted, Jack, and company must find a way to hit the villains where it hurts most. Good thing these modern-day Robin Hoods have learned from the best, and that the Sisterhood can always be counted on to help fight for what's right. |

Customer Reviews

Fern Michaels is the USA Today and New York Times bestselling author of the Sisterhood and Godmothers series and dozens of other novels and novellas. There are over seventy-five million copies of her books in print. Fern Michaels has built and funded several large day-care centers in her hometown, and is a passionate animal lover who has outfitted police dogs across the country with special bulletproof vests. She shares her home in South Carolina with her four dogs and a resident ghost named Mary Margaret. Visit her website at www.fernmichaels.com. Laurel Merlington has recorded well over one hundred audiobooks, including works by Margaret Atwood

and Alice Hoffman, and is the recipient of severalÂ AudioFileÂ Earphones Awards. An Audie Award nominee, she has also directed over one hundred audiobooks. She has performed and directed for thirty years in theaters throughout the country. In addition to her extensive theater and voice-over work, Laural teaches college in her home state of Michigan.

This is a continuation of the first book of men of sisterhood....the book is good and would usually give it a five but don't like how she's divided her book this time around. I love Fern's books in the past and partly because of the length but for some reason she decided to divide this book into three. Not sure if to make more money or what but as much as I enjoy her books if she does this to the next one I'll not be buying it. Don't like to pay \$10 for a book and that's what these books total. disappointed in her. But the book is good. Really enjoy her sisterhood books just disappointed on how she divided this one.

LOVE this series (the Sisterhood) and all of Fern Michaels books are so well written. I get lost and engrossed almost invested into the characters. The only thing with the men of Sisterhood e books is it really is one book broken into 3 short stories. So I wish I knew this and waited until they were all out so that it was continual. I really look forward to the last one coming out soon.

I'll be honest, this series about the men is every bit as good as the books about the Sisterhood. They do approach and look at things differently, as differently as men and women, both good views just different.

I agree with the review commenting on how the book was divided into 3 parts. I read the first 2, and kept looking for the rest of the story. I thought I had only received an excerpt, so was going to buy them again to find out if I hadn't received the whole book. This is a gimmick that doesn't work, and is really irritating. I read my books in an hour or two, so don't want to read for 30 minutes, and then try to find the next excerpt, and so on. The only multi-part books I enjoy are those by Nora Roberts, because each book is complete unto itself. I agree, will not be buying her next books if she continues on this path. This is just a gimmick to allow her to get a book out, write another really quickly, get that one out while she's writing another, etc. Keeps the money coming in.

I wasn't enthused with this series at all. I've read better books by the author. I hope book 3 is more exciting.

As always ! Loved the men new place, glad they ask the women for help.Can't wait to start the next book

This was a waste of time. Wish I had paid attention to the number of pages. I have come to expect better of Fern Michaels so I was doubly disappointed. I have read all of the Sisterhood and all of the Godmother series so I was certainly looking forward to a new series.

Love Fern Michael's books. The Sisterhood books are my favorite.
