A complete and indexed collection of the years worth of Southern Living recipes in once convenient volume. What's not to love? The content is great and it's much better than a stack of magazines. I'm happy to add this to our ever-growing Southern Living Annual Recipes collection.

Great collection of recipes.

This is an excellent cookbook, and made a nice addition to my Southern Living Cookbooks. It was also in perfect condition when I received it! I would recommend this book to anyone who loves to collect Southern Living Annual Recipes.

Bought it for my Mother as a Christmas gift. She had all but this one. Every time she went in an antique store she would look for it. She was thrilled to get it!

Collecting these cookbooks other than the fact they have great recipes. Excellent

Great deal!

THANKS JBE.
