This is beautiful music for a flute beginner

Good range from beginner to medium. Key signatures contain C major, F major, B flat major, E flat major and A flat major. Only negative which I've seen in other song books is no song hits a note in lower octaves--seen this in other song books. Why are all songs for flute done in 2nd-3rd (c5-c6 range) octave. I don't think there's a note from c4 - b4.

It is pretty easy for my daughter to play. She has been playing a while but she said not complicated. I enjoy hearing these songs always classic and fun.

Great book, now looking for a book for flute and clarinet with Christmas book & Folk song book.

So far so good with this one...for some reason, I expected it to be more substantial...but it has all the songs I love for my child to play :o)

students like the songs

love it

Good for beginner flute, I wish words were there too.
