Customer Reviews

"This [DK Eyewitness Travel: Top 10] might be the best traveling companion to throw in your pack. It's a slim and sleek overviewâ | loaded with practical and useful content." â " Gadling.com"Knownâ | for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." â " Chicago Tribune"The best optionâ | Color photos, maps, and diagrams bring the place to life." â " The Philadelphia Inquirer

This has been - by far - the most disappointing travel guide I've read in a long time. I found the 'Top Tens' chosen for the book often uninteresting, but most importantly, so many things were missing - most of all practical information. I am glad that this wasn't the only travel guide I brought to Cuba, I would've missed a whole bunch of amazing experiences and places in this fascinating country. The worst part was that there were NO maps included in the Kindle version, only links to Google Maps, but there's barely any wifi in Cuba, and so for the few recommendations this book has that might have been good (restaurants for example), it was completely useless without the maps and a way to find the place they were talking about. Stick to the Rough Guide or the Lonely Planet for your trip to Cuba, the Top 10 Cuba was a waste of money.

These are the guides for a short trip. Covers everything you need and what you want!

We will enjoy exploring with this book

Good basic information for price. Nice small reference. Found the map on the cover and separate map inserted very handy.
