Average Customer Review: 4.8 out of 5 stars 16 customer reviews

Best Sellers Rank: #899,989 in Books (See Top 100 in Books) #96 in [Books > Travel > Europe > Austria > General](#) #1315 in [Books > Travel > Europe > General](#)

Customer Reviews

A pleasurable read with ravishing photography plus maps and plans of supreme quality. The Observer --This text refers to the Paperback edition.

The country is divided into geographic regions, with chapters also addressing Vienna. The details are fascinating and great preparation for a future trip.

I had purchased a similar book for my son about France to help him with his French language courses in high school. I ended up spending more time with it than he did, and when I saw the other country titles, I decided to purchase a few more. The Austria book is excellent in that it condenses a lot of information into a very portable volume. The photos and illustrations are fabulous and the background historical and cultural information is superb. The listing of accommodations and restaurants also appears to be very well researched and provides a starting point for further Internet research. My favorite part of Austria is the Salzburg Region, and this book provides a genuine sense of what it is really like. I can definitely benefit from this book on future travel to Austria. I highly recommend it for anyone who wants to know more about the country, as well as for experienced travellers. Well done to the authors, editors, and publisher!

I like this book, because it has many pictures. It's not so great to take on vacation, because it weighs a ton, and it is short on reference-type material. However, it has many great diagrams when, for example, you are touring a castle.

The book exactly matched the description. The product was accurately packaged and it was delivered in a very professional way. Due to Hurricane Sandy there was a delay in the delivery, but that was completely understandable. Excellent service and product!

DK books always have such fun and helpful information. I love the color pages.

great book for pre travel

it has great highlights, lots of pictures, and gives you a great balance between large cities and small get a way places around Austria

Pleased with this purchase.
