# A Tramp Abroad

## Synopsis

In *A Tramp Abroad*, the ever adventurous Mark Twain brings his wit and creativity to his travels in Europe. Twain takes fictional liberty, turning his travels into an entertaining journey as he visits many of the countries of Central Europe. Listeners are sure to be delighted and humored as they enjoy what is considered by many to be one of Mark Twain's best works.

## Customer Reviews

The material is, of course, great\*, the presentation could be better - the font is too small, and there is not enough room between paragraphs. Page numbering would have been good, too.\* I may use some of it, such as "The Black Forest Manure King" in my performance as Twain delivering a lecture in 1896.

Print is too small for my old eyes.
