Q&A with Patrick Morley, author of *How God Makes Men* Q) Pat, you've been involved in men's ministry for over 30 years. What do you see going on with men today that made you want to write this book? A) I love my work, and we are seeing amazing results. Every day we see men coming to Christ and growing as disciples. That said, we need to do a reality check. We live in a counter-Christian pop culture that ridicules men in general and Christian men in particular. The battle line against biblical manhood is clearly drawn and fiercely contested. As a result, legions of men struggle to sustain what they started and finish the race. It's as though they've enlisted and been issued a weapon that they've never learned how to clean and shoot. They're sitting ducks on the day of battle. That's what made me want to write *How God Makes Men*. Q) Why are there so few role models in our culture? Where can men look to find examples of godly fathers, husbands, and working professionals? A) There are TONS of men out there who are getting it right. They're just not famous. They are quietly working out their faith by seeking God's plan in the company of a few like-minded men. God's plan is made up of strikingly relevant, time-tested lessons written down and preserved for us in the Bible. It pulsates with stories about men who released and sustained the passion of their faith. They became the men God created them to be. However, it's shocking how many of these life-changing principles are gathering dust. It's as though we're afraid to tell men, "Following Christ is harder than it looks and takes longer than expected. But God does have a plan, and it comes packed with real answers and genuine hope." Q) In *How God Makes Men*, you pick 10 men from the Bible who can serve as mentors to men today. How did you decide which 10 to include?

Praise for *How God Makes Men* "Don't we all sometimes feel like there's another man coiled up inside us who desperately wants to get out? In *How God Makes Men*, Pat Morley is going to show you God's way to help you release that man. This isn't just a book. It's a skeleton key to unlock God's master plan for your life. Read it. Apply it. Let God change your life. You're going to love this book!" —Mark Batterson, New York Times best-selling author of *The Circle Maker* "Pat Morley knows men — what they want, what they need, and God's way of helping them get it. Now he has written a watershed book that clearly explains God's role in changing men's lives. After unpacking ten timeless principles of how God forged our Bible heroes, Pat will help you connect the dots to your life today. I highly recommend *How God Makes Men* for

your personal reading or small group.

•Dr. Tony Evans, president of the Urban Alternative and senior pastor of Oak Cliff Bible Fellowship

“There are all kinds of help out there to encourage us to be better men. But nothing compares to the manhood wisdom drawn directly from God’s Word. And that’s what Patrick Morley richly blesses us with in *How God Makes Men*. I highly recommend you drink deeply from it.

•Robert Lewis, founder of Men’s Fraternity

“I believe that men are under attack in our culture. Television and other media feed us a steady stream of weak, complacent men—but that’s not the kind of man you see in Scripture! All through the Bible, we see stories of bold and brash men who followed God’s call into some incredible adventures. In *How God Makes Men*, Patrick Morley reminds us that God still makes those kinds of guys.

•Dave Ramsey, New York Times best-selling author and nationally syndicated radio-show host

“This is not a book. It’s a gift. Patrick Morley has taken what decades of faithful ministry to men has taught him and laid this wisdom atop the incredibly poignant, true stories of men in the Bible. What God is up to in your life and mine has everything to do with our learning obedience and a faithful walk with Him—while He writes our story. Because of God’s grace, our story even has a chance to be epic. Depending on what you and I need right now, this book will be either an encouragement or a necessary kick in the pants.

•Dr. Robert Wolgemuth, best-selling author

“Pat Morley is a masterful teacher of men. *How God Makes Men* is his most ambitious project since his best-selling *Man in the Mirror* twentyfive years ago. It’s a fascinating blend of the thousands of up-close-and-personal conversations with men in a variety of circumstances in a turbulent world matched with the stories of ten Bible heroes and how they faced their own strikingly similar issues. There is nothing quite like it!

•Bob Buford, founder of Leadership Network and author of *Halftime* and *Finishing Well*

“God takes strong men, breaks them down and makes them weak. No man wants to go through this, but this is the path to being used by God. Pat Morley has experienced this and understands the process. For the man who is broken and confused, *How God Makes Men* will bring hope, healing, and biblical clarity. I read it, highlighted it, and marked it up. That to me is the acid test for a valuable book.

•Steve Farrar, author of *Point Man*

“No matter how much you already know—or don’t know—about God, this captivating book is going to help you grow leaps and bounds in your relationship with Christ. Pat clearly demonstrates how God makes a man by using the personal stories of ten great biblical characters to show us how we, too, can adopt ten life-changing principles that are the trademark of God’s man. Pat’s knowledge and passion to help every man be the

person God created him to be makes How God Makes Men a must-read! — Kyle Vann, energy consultant and retired CEO of Entergy-Koch LP

It's a good book for the "Beginning Men's Bible Studies" crowd. Guys need to shed the stigma that they are spineless or weak for having spiritual values and weaker still for passing them along to their children. Shame and a phony "disgust" from the "holier than thou secularists" are the only weapons they have. Use this book wisely and your apologetics can be strengthened.

Love the book. Just what I was looking for to interest men's small groups. Consistently crawl through the pages with various groups of men. Rarely finish a chapter in a session! Offers much for thought and conversation as well as prompts questions men face about their lives. Have used it several times, each time with great success and participation. Each of the 10 chapters highlight a separate biblical character and develop a major principle all men can benefit from. I believe this book is a very useful mentoring tool whether you are engaged with Christian or non-Christian men. God's principles have no boundaries.

Used this book for a Men's morning breakfast study. Everyone enjoyed the topics and learned how God molds us into men he can use here on earth. Highly recommended

In an age where masculinity is scorned and relegated to anachronism, where metrosexual trends are all the fashion and the entire male persona and identity have been stripped of all that we know to be biblical and good, Morley conducts an excellent study of the biblical notion of maleness. This is essential for the effective functioning of happy, fulfilled families and the raising of children. He shows biblical men, flaws and all, and presents a fine picture of what God wants men to be.

This book is great! I thank God for using Patrick Morley to write this book about how He makes men. The ten epic stories of how God used these men and how we are able to apply these lessons to our lives has inspired me greatly. This book has encouraged me not only to keep living by God's Word but to encourage other men to do so as well. Thanks, and great work! I also purchased "Man Alive" which I just noticed is from the same author. Looking forward to reading it.

How God makes men: 10 epic stories. 10 proven principles by Patrick Morley is the finest book I have ever read by Mr. Morley. He summarizes the lives of 10 men warts and all lets you know about

the lives of some men that you have heard of but probably do not know or just haven't looked into the depths of their stories. The greatest example in this book to me was Gideon.. I knew the name Gideon from a Beatles song I knew the name Gideon from Bibles and hotels but for some reason I had never heard the story of Gideon never read the story of Gideon and it was enlightening. Any man reading this review should read this book. It does not matter what faith you are or even if you have no faith this is a good book.

An excellent book for ALL men to be able to make connections with who and what God intends for them to be in their own lives! Powerful book!

I ordered 2 books, got them both (used) great condition. The book is being used in a men's bible study. 11 of us have it and the material is very useful to us.Both books were delivered as stated. Great job! Thanks
