Tyred Out: Cycling Adventures In Scotland

Synopsis

A collection of short travelogues and stories about cycling adventures in Scotland. Starting with a crash, then crossing the country from coast to coast, visiting the islands and west coast, and ending with some bikepacking, a haunted bothy and a race. "Starting in Kyle of Lochalsh in the north-west and crossing the widest part of Scotland to reach the east coast in Montrose, it looked good. It promised adventure, beauty and excellent mountain biking, all contained within a five to seven day long, 270 kilometre mostly off-road route. The more of the route description I read, the more interested I became. I'd never really contemplated the possibility of a multi-day mountain biking trip before, but as I read on, it seemed like a pretty good way to spend a holiday." "It was the middle of winter. One of the wettest, most miserable winters in living memory." "The trees were a frozen whitish shade of green, crystals of ice clinging to the pine needles. The steam from our breath drifted across and made cloudy patterns in our beams of light."

Book Information

Paperback: 214 pages

Publisher: CreateSpace Independent Publishing Platform; 1 edition (August 25, 2016)

Language: English

ISBN-10: 1530136458

ISBN-13: 978-1530136452

Product Dimensions: 6 x 0.5 x 9 inches

Shipping Weight: 13.6 ounces (View shipping rates and policies)
