Customer Reviews

As a long time fan of Diana's work, I had already read/owned copies of some of the stories, but it was worth duplicating them to get the new novellas. The backstory of Minnie and Hal was fantastic.

Loved the two new stories and loved that I now have all the Small LJ Books together in one collection

can't wait for her new outlander series book

Loved this as a fill in while waiting waiting waiting for the next Outlander book. Reacquainting with the characters is like looking up an old friend.

A great read to brush up on previously read books of Diana Gabaldon.

Always an absorbing read.

Wonderful!

Endings too abrupt
