A Snarky Mandala Coloring Book: Mandalas? Meh: Midnight Edition (Humorous Coloring Books For Grown-Ups)

Synopsis

2017 GIFT IDEAS | COLOURING BOOKS FOR GROWN-UPS "Some People Just Need a High Five. In the Face. With a Chair." ---The Snarky Mandala Just because Donald Trump's campaign speeches have inspired an entire line of Swear Word Adult Coloring Books, doesn't mean we need another coloring book with the F-bomb on the cover. Let's combine that anger and negativity, add a cup of sarcasm, a dash of passive aggressiveness, and a sprinkle of sass. Let this simmer on low, deep in your brain, for 20 minutes (or until it glows bright red). Your SNARK is now ready. As with revenge, this dish is best served cold. Popular recipients of this dish include: your boss, your mother in law, your ex, and of course, any telephone customer service representative. Happy Coloring? Shrug. Customer Reviews

Every page is bordered in black and has so much I could not use any of my darker color brush pens to do them without the design disappearing. If you like to use all light colors you may be fine with this. I would return it but the postage would make it less than worthwhile.

This is one of my favorite coloring books. The images are simple enough I can work on them at work. (I work in a call center.) They are one sided images. Why are not all adult coloring books one sided images? I prefer cutting my coloring books apart so I can color on a flat table and this book was designed in such a way I was able to take it apart very quickly. I highly recommend this book.

Ok for a quick color, but spaces are too big to be really interesting. Cute comments though.

Pretty and hysterical. Love it!

Our family uses snark as our main form of communication, and I've wanted a midnight coloring book. Now I can color all of the obnoxious things I say!

Hilarious & clean! Perfect as a gift for my daughter's bff.

Nice Book. Great designs.

Giving as a birthday gift.
