Customer Reviews

I don't have to spend more time in groceries figuring out which salad dressing I'll take home. This is quite helpful as I can make my own salad dressing at home which I am sure is safe and healthy to eat. This helped me a lot and I will surely make a salad dressing from one of the recipes shown in this book.

As someone new to plant based eating it was nice to have so many choices in one place.

Looks interesting, but I have not read it yet.
