An excellent read.

For armchair cruisers or sailors contemplating a trans-pacific cruise, Two on a Big Ocean is a must read. Hal Roth is both an excellent sailor and writer and sharing his experiences sailing and interacting with native pacific islanders is a thrill. This is a very educational and entertaining book.

This is a great book to read if you like adventure on the high seas! Reading this book makes you want to cast off today! Hall, whom I've met personally, is a great sailor and wonderful author. I have enjoyed many of his stories. Read and enjoy..
