Contemporary Marketing

Synopsis

CONTEMPORARY MARKETING, Seventeenth Edition, is the proven, premier teaching and learning resource for foundational marketing courses. The authors provide thorough coverage of essential marketing principles, exploring all components of the marketing mix, and providing practical guidance to help students prepare for successful marketing careers. This trusted text continues to grow stronger with each groundbreaking new edition, preserving what has made previous editions perennial best-sellers, while adding innovative new features and up-to-date information on current trends, topics, research, and best practices in this ever-evolving field. Because it is so technologically advanced, student-friendly, instructor-supported, and more relevant than ever, CONTEMPORARY MARKETING, Seventeenth Edition, remains in a class by itself.

Perform better with MindTap.

The more time spent in

MindTap, the better the results.

Using MindTap throughout your course matters.

Students

using apps perform better on assignments.

After a long and distinguished career, Louis E. "Gene" Boone passed away just before the publication of the 13th edition of CONTEMPORARY MARKETING. Over the years, students and colleagues at the University of Tulsa and the University of South Alabama and other schools in the U.S., Australia, and Europe were fortunate to be influenced by Gene's insights. Many marketing instructors knew Gene through his distinguished career and remember the numerous contributions that he made to business education. Gene was a pioneer of the marketing discipline and arguably the best and most creative business writer of his generation. David L. Kurtz has taught at a number of major U.S. and foreign universities and has co-authored best-selling books with Louis E. Boone. Their publications have been translated into Chinese, French, Indonesian, Italian, Polish, Portuguese, and Spanish. Dave has lectured extensively throughout North America, Europe, Asia, and Australia. He attended Davis & Elkins College in Elkins, West Virginia, before entering the graduate business school at the University of Arkansas, where he met Gene Boone. After graduate school, the two became career co-authors, with over 50 books between them. Gene and Dave also got involved in several entrepreneurial ventures. Today, Dave Kurtz is back teaching at the University of Arkansas after duty tours in Ypsilanti, Michigan; Seattle; and Melbourne, Australia. Dave, his wife, Diane, and four demanding canine companions (Daisy, Lucy, Molly, and Sally) live in

Rogers, Arkansas. Dave holds a distinguished professorship at the Sam M. Walton College of Business in nearby Fayetteville, home of the Arkansas Razorbacks.

Rented this book for a Maymester course, very easy to read and understand the content. I passed my class with an A.

Rented: The spine of the book is really loose. Makes me worried for when I return it to them :/ Will add to my review after I return it

I decided to rent this book as an eBook and boy did I regret it. It was hard to keep turning the pages and find things when doing quizzes and tests in a timely manner and it ended up slowing me down. The book is fine and gives you the info you need, but I made a mistake in not spending the extra money on a hardcover book.

Great quality textbook. I purchased a like new book and was disappointed by the condition of the product! No highlighting or underlining in the pages, and the cover was free of any major dents or scratches. This was a much more affordable option to the prices I saw elsewhere. The text itself is great, this is a good introduction to the field of marketing. Happy with my purchase

I rented this book and it came as it was in the description. Too bad it doesn't come with the cengage access code

I had to rent this for school. It's not like I actually wanted this.

Excellent study guide for Marketing 101 course

Good shape
