Customer Reviews

Professor of management at Assumption College, in Worcester, Massachusetts. She earned a Ph.D. at the University of Massachusetts Amherst and an MBA at the Cass School of Business, City University, London. She has had expatriate assignments in Germany, the UK, Saudi Arabia, Japan, and Korea. Her interests include the role of culture in international business and the pedagogy of international management. Her publications include The Blackwell Encyclopedia of Management. Vol. VI: International Management, 2nd ed., Oxford, UK: Blackwell Publishing (2005); and The Blackwell Handbook of Global Management, Oxford, UK: Blackwell Publishing (2004). Her teaching, research and presentations have received many awards, including The Roethlisberger Best Paper of the Year Award from the Journal of Management Education and the Alpha Phi Alpha Teacher of the Year Award. Her articles have been included in journals and collections focused on teaching in the area of international business. She is an avid master rower and enjoys running, reading, and gardening. Professor of marketing and international business at the University of Texas, Pan

American. He was educated at the University of North Carolina, American University, and Cornell and holds a PhD from Vanderbilt University. His research focuses on comparative consumer behavior, international marketing strategy, political risk, and the consumption of high-technology experiential products. He has published in the Journal of International Business Studies, the Journal of Consumer Marketing, International Studies of Management and Organization, the Journal of Services Marketing, International Business Review, Journal of Interactive Advertising, and elsewhere. He has written for business and popular media from PCWeek to Tennessee Business Magazine. Professor of strategy and international management at California Polytechnic University in San Luis Obispo. He earned a BS in business at Indiana University and MBA and PhD degrees at the University of Washington. He has authored or edited 14 books and monographs, over 110 published papers, and over 35 case studies; he serves on the editorial boards of several leading international academic journals; he served as the Saastamoinen Foundation Chair at the Helsinki School of Economics in Finland; he was the founding chair of the Strategic Alliances Committee of the Licensing Executives Society; he served as the chair of both the International Business and the Strategy and Policy divisions of the Administrative Sciences Association of Canada; and he is past chairperson of the Academy of Management's International Management division. His research has appeared in the Strategic Management Journal, Academy of Management Journal, Journal of International Management, Columbia Journal of World Business, Management International Review, Journal of Management Studies, Human Resource Management Journal, Long Range Planning, Organisation Studies, and Journal of Applied Psychology, among others. He has received 11 "best paper" awards for his research, including the Decade Award for most influential article from the Journal of International Business Studies. His teaching performance has earned numerous awards in the United States, Canada, Asia, Africa, Australia, and Europe, including the University Distinguished Teacher Award. He was the first recipient of the International Educator Award from Cal Poly, and he endowed a scholarship for students to work and study internationally. Consultant to multinational corporations, was a professor of marketing and international business for several years after leaving industry. He has a degree in mechanical engineering from Ohio State and a doctorate in business administration from the University of Florida. Ball has published articles in the Journal of International Business Studies and other publications. Before obtaining his doctorate, he spent 15 years in various marketing and production management positions in Mexico, South America, and Europe.

Received this when I was in school. rent is probably the best place to get the books you need.

Grant it they do not have all the books you will need but most of them they will. I was even able to find some that my instructors said that I may have an issue finding. rent saved me a ton of money and I recommend it for any and everyone in school. If you are going to be a little late on your return they can extend your rental for a low fee with out having to buy the book at full cost returning the books are easy as well. This in itself should inspire folks to get out there and get their degree.

This is probably one of the best textbooks I have used. The book is well-written and easy to follow. There are a lot of current examples used to illustrate the points made. Each chapter ends with a short bio of a student or professional who works in an international position. The only negative is that all of the persons interviewed graduated from the same university. There are also a host of websites and resources listed at the end of each chapter. I rented this book and seriously considered purchasing it at the end of the semester. It's that good.

What are the authors implying to say - is not clear. Not sure who said this book is practical. What where which chapter ? Do they know meaning of word practical .The books has just theory - no real life applicable example. No direct answers - Just too much random information cramped. Shane on the authors and publisher. In the name of knowledge and guidance- it just a show off or random pictures and ideas. God save the students !!

As far as a textbook is concerned, this is not a bad choice. The examples are current, and the case studies are interesting, such as it's discussion on terrorism and how that affects global business. Keywords are highlighted in text and also listed in the margins. My only complaint is that sometimes it feels like it reads like a novel instead of a textbook. The font is somewhat small, and the spacing is close, so on pages where there is no graphics, it feels like dense reading.

none

Perfect book

It's a college book, class requirement. Can't say I am reading this for leisure!

Just as described.
