You And Me Forever Workbook: Marriage In Light Of Eternity

Synopsis

In this workbook companion to *You and Me Forever*, Francis and Lisa challenge us to think differently about some of the most important relationships in our lives. A jealous God asks us to pursue Him first and most. If we have Him at the center, then life makes sense and everything falls into its proper place. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. This workbook is meant to help take these powerful truths and translate them into action and changed lives. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world.

Francis Chan is the best-selling author of *Crazy Love*, *Forgotten God*, *Erasing Hell* and *Multiply*. Currently, Francis is planting churches in the San Francisco area. Lisa Chan is a speaker and host of the *True Beauty* series. Together, Francis and Lisa raise their seven children in Northern California.

YES YES YES. This book will challenge everything you thought about marriage. It is about marriage being less about "the two of you" and your marriage as a vehicle for doing the work of the Kingdom. Chan's personable style and "keeping it real" delivery are amazing. You can also access videos online at his website to use as companion pieces for a church class or small group. I can't recommend this book strongly enough. I plan to read it again to be challenged anew to use my marriage to impact the Kingdom! Thank you Jesus!

If you're wanting to grow in your marriage and your relationship with God this book is for you! I enjoyed it so much I want to read it again!

Great workbook that goes along with the You and Me Forever book. We are doing this study in a couples group and are very challenged by Francis and Lisa Chan. We highly recommend this workbook to do alone, with your spouse or with a group.

This "Marriage" book is not really a marriage book - It's a Christianity book that sometimes references marriage.

The workbook has some additional questions and insights and is a good addition to the book.

In true Francis Chan fashion this book gets right to the heart of the matter. If you are a Christian and your marriage is in trouble this book will help you get your priorities right so you can save your marriage.

A wonderful book for all married couples....no matter how long you have been married!

Love it!
