Jesus The King Study Guide: Exploring The Life And Death Of The Son Of God

Synopsis

In this 9-session Bible study guide, Jesus the King, Timothy Keller will help you and your group discover the most influential man to ever walk the earth – Jesus. His story has been told in hundreds of different ways for thousands of years. What more can be said about this man? Timothy Keller will help you and your group to unlock new insights into the life of Jesus Christ as he explores how Jesus came as a king, but a king who had to bear the greatest burden anyone ever has.

Jesus the King Study Guide helps you discover the life of Christ as told in the Gospel of Mark. Keller shows how the story of Jesus is at once cosmic, historical, and personal, calling each of us to look anew at our relationship with God. It is an unforgettable study of Jesus Christ, and one that will leave an indelible imprint on your group's journey through the Gospel of Mark.

Timothy Keller is the founder and senior pastor of Redeemer Presbyterian Church in New York City, and the New York Times bestselling author of *The Reason for God* and *The Prodigal God*. He has also mentored young urban church planters and pastors in New York and other cities through Redeemer City to City, which has helped launch over 200 churches in 35 global cities to date.

I am absolutely loving this book. This Jesus the King studies the book of Mark in the New Testament. One thing that sticks out to me is the depth in which it studies these scriptures. I have read many of these stories a hundred times and missed so many connections and lessons that this

book explains clearly and thoroughly. It is a lot of information to absorb but definitely a life changing message. What a good God we serve! This is the study guide that we are using as a group to discuss from once a week. I definitely recommend you get the original book as well.

This has been a great book to share with those who want to dig a little deeper into the person of Jesus of Nazareth. It allows the student to hear a fresh perspective on what exactly Jesus did and how it affects us in our daily lives. As a person who loves to share a mere Christianity perspective, striped of it's wooden supports that leave the faithful wanting more solidity...this book provides some solid foundation to wrestle with the man and the accounts of Him.

Unfortunately I did not find this guide very useful. We had a group of 16 adults who read the book and discussed it every week. We read two chapters at a time. I found that the guide deviated too much from the book and in some cases skipped book chapters totally. After the first few weeks I relied more on our mutual observations of each chapter to guide the discussions.

Excellent study guide.

A must read. Timothy Keller's study of the gospel of Mark presents Jesus in the very centre of the triune God. Father, Son and Holy Spirit. There are only two possible conclusions one can come to after reading this book. Jesus was either a raving lunatic or He is God!

I had to get this book when my son shared a few parts with me as he is going through a study using this book and is really enjoying it.

Great read and Keller is an outstanding writer. Tells it like it is and a message we all need to hear. One of his many outstanding books.

Most amazing book ever! It answered a lot of questions that I have been asking myself for years.
