Biblia Para Niños, Historias De Jesús / The Jesus Storybook Bible: Cada Historia Susurra Su Nombre (Spanish Edition)

Synopsis

La Biblia para niños es “Historias de Jesús edición especial bilingüe” y cuenta la historia que subyace detrás de todas las otras historias de la Biblia. En el centro de la misma se encuentra un niño, el niño del cual dependerá todo. Cada relato susurra su nombre. Desde los tiempos de Noé, Moisés y el gran rey David, toda historia apunta hacia Él. Es como la pieza que falta en un rompecabezas | la pieza que hace que todas las demás encajen en su lugar. Desde el Antiguo Testamento hasta el Nuevo Testamento, conforme la historia se desenvuelve, los niños recogerán los indicios y armarán el rompecabezas. Siendo una Biblia como ninguna otra, la Biblia para niños es “Historias de Jesús” invita a los niños a unirse en la mayor de todas las aventuras para descubrir por sí mismos que Jesús está en el centro de la gran historia divina de la salvación | y en el centro de la historia de ellos también.

“The Jesus Storybook Bible is unlike any other storybook. True, that’s to be expected when you combine the mesmerizing illustrations of Jago and the award-winning writing of Sally Lloyd-Jones, a Brit with an uncanny knack for storytelling. Not only is each story as vividly illustrated as it is portrayed, but also each tale is telling one Big Story---the Story of Jesus. Even the Old Testament stories of “The young hero and the horrible giant” and “Daniel and the scary sleepover” come full circle to Jesus, the greatest Hero, King, Lover and Rescuer the world has

ever known. (More to Life Magazine)''The Jesus Storybook Bible: Every Story Whispers His Name' disproves the adage that you can't judge a book by its cover. Jago's award-winning cover art is a foretaste of the whimsically insightful and richly colored drawings that await you on every one of the book's 351 pages. The illustrations alone are worth the price of the book....Jago the illustrator, and Sally Lloyd-Jones the author, are a good pair. She brings the same creativity and sense of humor to her telling of the Bible's stories....But Lloyd-Jones's writing isn't cutesy. She has a grasp of the profound. How does one explain to a child the agony of Jesus in Gethsemane, and his prayer of surrender to his Father? Lloyd-Jones does it as well as any biblical commentator....The title and subtitle are even better than the book's delightful illustrations and narrative -- because they provide, in one deft stroke, the interpretive key that unlocks the meaning of the whole Bible. 'The Jesus Storybook Bible' says it all: The Scriptures are not merely a collection of stories designed to teach moral lessons. As Jesus explained to the men walking the road to Emmaus on Resurrection Sunday, the whole Bible is about Jesus. In the words of the subtitle, every story whispers his name....Lloyd-Jones manages to show again and again the presence of Christ in all the Old Testament Scriptures, and the presence of the Old Testament Scriptures in the life of Christ.' (Christianity Today)The Jesus Storybook Bible is, in my opinion, one of the best resources available to help both children and adults see the Jesus-centered story line of the Bible. The Jesus Storybook Bible in the special bilingual edition tells the Story beneath all the stories in the Bible. At the center of the Story is a baby, the child upon whom everything will depend. Every story whispers his name. From Noah to Moses to the great King David---every story points to him. He is like the missing piece in a puzzle---the piece that makes all the other pieces fit together. From the Old Testament through the New Testament, as the Story unfolds, children will pick up the clues and piece together the puzzle. A Bible like no other, The Jesus Storybook Bible invites children to join in the greatest of all adventures, to discover for themselves that Jesus is at the center of God's great story of salvation---and at the center of their Story too.

I hate to have to leave only 3 stars for this Bible, since I really do LOVE it and we read it every night. It has wonderful vivid pictures and tells the story in a clear and thorough fashion, pointing all of the stories back to Jesus. Each section is about 4 pages long, which seems perfect for a nighttime before bed reading for my 3-year old. With that being said, one review mentions a few grammatical errors in Spanish - I have to say, there are more than a few. There are multiple errors on almost

every page - from grammar, to spelling, to misuse of words. I would love to see a new edition put out with solid Spanish editing, because I would definitely change my rating to 5 stars!

As a bilingual parent, trying to raise bilingual children, I was really looking forward to being able to read this book to my girls in Spanish. We absolutely LOVE the English version, and I was really hoping to be able to have the same experience in Spanish. But the Spanish version is sometimes too formal and uses language that is not really common, which one would expect for a children's book. In parts, it seems it was translated literally, which does not sound right.

This is a great book for working with children - especially bilingual kids. We used these on a recent Central American mission trip. Our team would sit for 20-30 minutes at a time with children. The kids read the Spanish and we followed along in the English story. It was a wonderful tool for our team. We bought 12 of them to use and then left them as a curriculum resource for the church there.

its a great kids bible but the translation is kinda bad and there are few sections that do not have Spanish translation, what's up with that?? I have order this bible two times and just love it! check this one out:La Biblia de los pequeÃ±itos / The Toddler's Bible (Spanish Edition)

I am an advanced beginner adult language learner (Spanish). I am enjoying reading this book. My only complaint is that the print is very small and thus difficult to read.

This bible story book is a top seller due to the script correlating with the lovely illustrations. However, this bilingual edition would be wonderful for anyone who reads Spanish but wants to improve their English. I gave this copy to a missionary couple serving in Mexico who gives these out to literate families who promise to read it to their young children. Next time I will send a case of this edition to them.

My son and I love this Bible and read it every night, alternating languages each day. The Spanish translation is not perfect though. I've come across a few typos and there is even a whole paragraph missing in one story. I've taken pictures of the errors I've come across and am sending them to the publisher. Hopefully, a revised version will come out soon.

We live in Ecuador and are from the US. This book is perfect to have Bible story time with our young

kids and have option for spanish or english. The stories are written very well and it's our favorite Bible story book to read at bedtime!
