Pen & Ink Techniques (Dover Art Instruction)

Synopsis

This reader-friendly guide allows artists and would-be artists at all levels of achievement to experience the satisfaction of drawing with pen and ink techniques. Richly illustrated and containing dozens of simple exercises, it covers everything from the basic tools and materials to the production of advanced effects. A seasoned instructor, author Frank Lohan presents dozens of exercises for beginning, intermediate, and advanced artists. His topics range from the creation of hatching, tones, and stippling to dealing with the problems that can arise when adding texture, light, and shade. An extensive reference section features examples of landscapes, trees and foliage, flowers, faces, animals, and a wealth of other subjects. Helpful suggestions include tips for copying, reducing, and enlarging sketches; instructions for easy matting; and guidelines for reproducing sketches on greeting cards and notepaper.

Customer Reviews

A Detroit-based industrial electronics engineer, Frank Lohan turned his lifelong interest in sketching and painting into a career in teaching adult classes in art.

The author teaches the reader the hand skills and the artistic vision in creating the pen drawings. It really helps the readers a lot on how to improve the pen techniques. It is a great book.

Informative and good tips for the beginner

Quickly looked through the book. Glad that I bought it. Thanks, again

Highly recommended for students of pen-and-ink—superb examples, great progression from beginner to advanced, well written. Definitely belongs on your shelf.

I really am enjoying this book. Just started really sketching out of doors after painting only for many years. I have picked up techniques that are easy to understand and emulate. A very good resource for anyone who wants to sketch. A great learning tool. Excellent condition.

I bought this book for my husband and he can't put it down. Exercises increase skills at a rapid rate. Well written, great examples and exercises. Good for beginner and advanced artists. We highly recommend this book.

Very easy to understand and try out.

This book is great for learning basic inking techniques. I found it very helpful in my initial learning, with clear instructions in inking drawing exercises.
