From the Foreword: What an honor it was to have our Holy Father come to the United States and share his joyful witness with us! I found that he came to our country both as a pastor to be with his people and as a prophet to call us to greater conversion to Christ. His profound words and beautiful gestures pointed the way for each of us to more joyously and faithfully serve each person in the name of Jesus. I am grateful for those who put together this commemorative book. I believe we will

be reaping the spiritual fruits of the Holy Father's visit in the Church and, I hope, in American society at large, for many years to come." Archbishop Joseph E. Kurtz President, US Conference of Catholic Bishops

Reporters, editors, and photographers at Catholic News Service, editors at St. Anthony Messenger magazine, and the book team at Franciscan Media worked together to create this keepsake of Pope Francis's first visit to America.

Beautiful book, full of moving and emotional memories of Pope Francis's visit to Cuba and the United States. Makes a wonderful table book for visitors to thumb through and feel his spiritual power via his pictures.

I was in Philadelphia when the Pope was there and I wanted some photos of the event. Great keepsake!

Very pleased with this book on the historic America visit from our Pope. Gave one to our daughter and her family also as a remembrance.

Great book. Perfect gift for my Aunt.

Love it !

So glad I bought this book. Needless to say I love this Pope.

Wife enjoyed the gift. Easy read.

These pictures are absolutely lovely. I only wish that the speeches that were made at the different locations were also added.
