Music Manuscript Wide Staff For Seniors: Adult Blank Sheet Music Manuscript Paper Notebook For Elder Musician, Songwriter, Composer, Or Musical ... Chord Notation Lesson Memo) (Volume 1)

Synopsis

The most friendly music manuscript book for senior citizen or those who need a friendlier music manuscript book! This very book, "Music Manuscript Wide Staff For Seniors: Adult Blank Sheet Music Manuscript Paper Notebook For Elder Musician, Songwriter, Composer, Or Musical Instrument Beginner Player. 6 Large Staves Per Page", is packed with these wonderful features:

NO EYE STRAIN: Printed on cream paper which is more gentle to the eyes. All letters both inside the book and on the covers are of larger font size. The nice wide spacing within and between staves makes the book not only great for leger lines, but also great for additional notes writing, right on the pages, in a letter size that the writer deems big enough for discerning later. Drawing musical notations and viewing them while playing becomes effortless and without eye strain. Perfect for elder musicians, music beginners, parents, or teachers with vision problem!

DESIGNED WITH CARE: The white blank box on the front cover is large enough for the owner to write book details in larger letter size without squeezing. The book cover is made of matt finish, which is non-slippery, easier and safer to carry around. Plus, since the chance is there that the owner left the book somewhere and forgot its whereabouts, the book was intentionally designed with noticeably red color, and showing the pictures of staves, both at the front and at the back cover, ensuring the owner can easily spot the book at an instant if it is buried under piles of other books, or simply lies somewhere in the palace!

STAY ORGANIZED: Unlike home printed looseleaf paper which tends to get tattered and misplaced, "Music Manuscript Wide Staff For Seniors" comes with spine, which allows it be kept neatly on shelf along side other musical books. Moreover, it has 2 noticeable places (one at the cover, and the other at the spine) for the owner to write his/her own book volume number, developing a complete collection of one's own valuable songs that can be stored chronologically, then searching for previous works so becomes a super easy job, hassle-free!

STURDY: The book is manufactured with industry standard binding with spine, which makes the pages more easily to be turned, and, unlike ring binding, pages are less likely to be torn while opening or flipping through pages. Durable books keep invaluable and memorable works with an artist longer!

PERFECT SIZE: At the size of 8.5" wide, 11" tall, and 0.2" thick, the book is large enough to delight seniors, contain all necessary space for note-taking, yet compact and lightweight enough to be carried along comfortably by simply tuck it into a bag, a briefcase, or any musical instrument covers that fit the size of general A4 paper!

INSPIRING: The book contains as many as 108 pages, which is enough to ensure a fine composer wouldn't run short of space, and muse, while going with the flow of music. Plus, the book contains a blank table of contents at the first page, which allows the owner to write his/her own references to the contents inside, overview them all at a

glance, and develop a songbook of his/her own favorite songs! BEST OF VALUE: All those, at the reasonable price! This "Music Manuscript Wide Staff For Seniors" is the perfect combination that would sure to befriend elder artists, or anyone who needs a friendlier music manuscript to accompany them while travelling the world of music!

Customer Reviews

I purchased this for my music theory class. I chose the extra wide staves because I like the additional space and we often do in-class work and examples that take up a lot of room. The reason I am giving it 4 stars is because the pages are not perforated.

My 6 year old is taking piano lessons and I've looked at other products to help him write his notes and keep them neat in one place. I would have preferred a spiral notebook because it would be easier for him, but that's a minor thing to deal with. I am satisfied with this book.
