I thoroughly enjoyed reading this book. Through a baseball story David A. Kelly once again reveals

a who-done-it mystery that will hold the attention of any kid for many hours and the results will surprise you. I like the sportsman like conduct in the end of the story when Big D, Boston Red Sox player, and Louie Lopez, Cub player are still friends, and that is real sportsmanship. Surely, this intriguing baseball story deserves five stars, and I'm Marvin P. Ferguson, author of Boys On The Gold Coast.
