Training Miniature Performance Horses

Synopsis

This innovative how-to book is filled with lots of sound instruction and experienced observation to help owners train their horses and correct common mistakes. Proper equipment, reward systems, halter obstacle training techniques--including setting up the halter stance--basic and advanced obstacles, trailer loading, teaching the horse to jump, beginning and advanced jumps, hunter training, and valuable insight into all three disciplines pack the pages of this powerful guide. Jennifer Garrett--a seasoned exhibitor, youth champion, experienced trainer, and apprentice judge--has pooled her knowledge and experience to share with you. Photographs, illustrations, full index, and glossary help you get the most out of TRAINING MINIATURE PERFORMANCE HORSES.

Training Minis is a very rewarding experience. It is my hope that this book helps you achieve your training goals. Training your own Mini promotes bonding and teamwork, which is evident in the ring and at home...Whether you decide to compete or not, short daily practices, repetition, love, and an excellent positive reward system are the keys to producing the best trained horse possible.

Well written and informative

Purchased this for my 12 year old daughter who just recently became a proud owner of a miniature horse. Was thinner than expected but she enjoyed all the good information.

We've only been into minis for a short period of time. This book was a nice overall perspective on the different events and how to train for them. We have cart minis and were looking to start some in the in-hand classes. Good basic book.

just what I wanted

more like show horses not tricks

good book lots of info.

Excellent book if you want to learn how to get your Minature ready for Shows or if you just want to enjoy your Minature & learn how to play & enjoy them.

Great
