# E. B. White Box Set: Charlotte's Web, Stuart Little, The Trumpet Of The Swan

## Synopsis

This box set contains paperback editions of the Newbery Honor-winning *Charlotte's Web*, the Laura Ingalls Wilder Medal-winning *Stuart Little*, and *The Trumpet of the Swan*—three beloved, timeless classics by E. B. White, with black-and-white illustrations by Garth Williams and Fred Marcellino. *Charlotte's Web* Some Pig. Humble. Radiant. These are the words in Charlotte's web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, family, and adventure. *Stuart Little* Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his family. But when Stuart's best friend goes missing, he's determined to leave home and take an epic journey to find his friend. *The Trumpet of the Swan* Louis is a trumpeter swan, but unlike the rest of his family, he can't make a sound. And since he can't trumpet his love, the beautiful swan Serena pays no attention to him. But when his father steals him a real brass trumpet, Louis has to find out if it's the key to what he's wanted all along. E. B. White's classic book is a tender novel of overcoming the odds and learning to do things on your own terms.

*Charlotte's Web*. *Stuart Little*. *The Trumpet of the Swan*. What other books even approach these masterpieces of children's literature in humor, poignancy, and long-lasting influence? E.B. White's

three award-winning classics have been brought together in a very welcome gift set for any young reader. The hardcover editions feature the original, oh-so-memorable pictures by Garth Williams for *Charlotte's Web* and *Stuart Little*, and wonderful, all-new illustrations by Caldecott Honor artist Fred Marcellino for *The Trumpet of the Swan*. White's ingenious blend of fantasy and the natural world has a timeless appeal. After reading *Charlotte's Web*, what child has not cried out to save a spider from a cruel, crushing heel: "Wait! That could be Charlotte!" Read them once or a hundred times--the memories will linger forever. (Ages 8 to 12) --Emilie Coulter --This text refers to an out of print or unavailable edition of this title.

*Charlotte's Web* pictures by Garth Williams The Newbery Honor-winning story of a remarkable pig and the spider who changed his life. *Stuart Little* pictures by Garth Williams A most unusual mouse sets out on the adventure of a lifetime. *The Trumpet of the Swan* new pictures by Caldecott Honor Artist Fred Marcellino The joyous tale of Louis, a trumpeter swan in search of his voice.

You can't go wrong with the works of E.B. White. I loved his stories as a child, and now I enjoy sharing them with my own children. So far, they are really enjoying them. This set has all the must-reads, and for a pretty good price. The paperbacks are a bit light, so I'm not sure how they'll stand up over the years, but for bedtime story reading, they work just fine. This is a wonderful addition to our library.

They're simply required books for any kid's library. Ultimately parents have only two real responsibilities to their kids to have them grow up to be successful humans: keep them as healthy as is reasonable, and teach them how to read. Everything else is a bonus. These books are great ones to read to them, then great ones for them to read themselves.

Cannot say how much I love this box set. I read stories to adults so that they will know what it feels like to be read to and then read to their children. When I brought the set to class these grown women got so excited at the prospect of reading *Charlotte's Web*. None of them had ever heard of *The Trumpet of the Swan* so of course we read that first. They were enthralled, Louis has a whole new set of fans. It's great to sell these three books together because some people have heard of some of the books but not all of them. Fantastic buy they got here in no time I'm so happy with it. Yay for Prime!

These books are required reading for all children of every age, no matter how old you are. I'm in my 50's and I love them. I will read them to any children that I babysit for and enjoy them myself, for what is life if we cannot retain some of the magic of childhood!!

These books were my favorite as a child. My mother would read me Stuart Little the most then Charlotte's Web...a classic set.

When I was a teacher I read all three of E. B. White's children's books to my students year after year. These books give a child the essence of the best of American culture of not-too-long ago. There's plenty in each of the books for the adult to enjoy, too, while reading aloud to the child.

This is the greatest. Impoverished intellectually and creatively is the child who hasn't read these books.

Perfect collection of E.B. White books for a youngster, shipped promptly, well packaged, highly recommend
