Children Of Color Storybook Bible

Synopsis

Children of Color Publishing has chosen to develop Bible products that help to build the self-esteem of young people of African descent and has thoughtfully and prayerfully designed the Children of Color Storybook Bible for your child of color. Young people need to understand that their heritage and history began long before civil rights and slavery and that the events and stories in the Bible are a part of that heritage-they took place on the very continent, Africa, especially northeastern Africa, where their ancestors lived and died. Knowing this can help children gain the confidence and courage to overcome the many obstacles they will encounter growing up in the world today.

Customer Reviews

I originally bought this book to hold for my future child, but the Lord led me to gift it to a church member in his late teens. Developmentally, he has the mind of a child, but is a creative genius! He frequently showed me his comic book sketches and cool inventions (e.g., a watch made out of paper!). I imagine that he enjoys the book because the Lord led me to gift him and he happily received it. I bought another one for my future child...and the Lord led me to gift it to a Christian friend who has 2 biracial (black and white) children. They live in a majority-white area. She was excited about receiving it. It features Biblical stories written from the Contemporary English translation and illustrations of colored Biblical characters (the way these people actually looked!). I wish that I had one growing up...

It's a good bible as far as the information goes. It's a little advanced for my newborn, but when she is older maybe 8 and up it will be fine. But it does not have as many pictures as many of the other story bibles I have encountered. I was looking forward to lots of pictures of people of color.

I wasn't disappointed with this Bible. I purchased this Bible so my daughter would be able to see individuals from the Bible that looked like her. I love it.

Another scarce title for children of color to see books they can identify with. Helps with increasing diversity, self esteem and acceptance

Absolutely love this version of bible stories. My girls read it every night!

This is a very nice bible, however, I give a 4 star rating because it ends at the book of Acts.

just what sh wanted. good price.

My grandkids are enjoying this visual Bible. It is just what they needed and on their level. Nice colors, etc.
