TFK editors also publish the TIME For Kids® Science Scoops series, giving kids the inside scoop on the world's most fascinating topics.

My daughter and I really enjoyed reading this book. It is full of information while remaining entertaining. It has many great photos to help keep the young reader engaged.

Great

Great inspirational read for young people interested in history -- book included in our community's give-away of books at our library conducted in conjunction with the Detroit Lakes, MN rededication of the Grand Army of the Republic Park, 150th anniversary of the end of the Civil War and the death of President Lincoln. In Becker County, about 364 residents served in the Civil War including three females, one was a doctor and two were nurses so this Time publication has extra meaning.

Perfect

very good read lot of information. great for a book report. loved it!!

I purchased this book, "Time for Kids: Clara Barton: Angel of the Battlefield" for my grand-daughter. She had chosen Clara Barton for a written and oral report. The book contained a great deal of good information which was well presented. She chose to do a poster for the oral report and the graphics in this book were perfect. She received 110 points on the assignment----the ten extra points are given for special credit on really outstanding work. I would highly recommend these "Time for Kids" biographies.

Very informative and perfect for little readers. Love books to research information rather than rely on the web.

These biographies are interesting for kids to read.
