Marion Adams is a freelance proofreader, editor and writer based in Devon, UK. She lives near the sea with her family and her dogs, two mischievous Jack Russell crosses.

Go To Sleep is a nicely written children's story about a little sheep who cannot get to sleep. As she gets advice from fellow sheep and a wise farm creature, she goes about trying to sleep until she accidentally causes a bit of chaos. I love the way the little sheep lets her imagination take over, as most young children do. This story has a cute twist to the end that will have your children wanting to read it again and again! The illustrations are simple; yet, beautifully designed.

My nephew loved it. Even I liked it. Nice children story. Your kids gonna love it.

Excellent book, all 3 of my children loved both reading it and having it read to them.
