## Customer Reviews

This book has got my favorite time-saving pressure cooker hacks: When our family is about to sit down to dinner, I start cooking another meal—usually a stew—in the Instant Pot. Tired of waiting for bone broth to cook? Before tossing it into your Instant Pot, make sure to cut your meat into uniform pieces to ensure even. Instant Pots are all the rage these days and for good reason—it's one of the most useful small kitchen appliances out there. Make the most out of it with this cookbook.

This is a wonderful book. It contains useful tips and the most delicious recipes in Paleo Instant Pot Cookbook. From this book you will learn how to cook quickly and easily, prepare healthy side dishes, make delicious desserts and much more. I'm delighted with the book.

This is a healthy book on the topic of Paleo Instant Pot. This book is loaded with helpful information, tips and recipes for whole family that I need to know about Paleo Instant Pot. Charlotte Moore is a fantastic author on this topic. I really enjoyed the parts of the book—“cook hearty paleo soups & make delicious desserts”. Very healthy, delicious and easy to prepare. Overall, this book is a great and enjoyable read.

The instructions in this book are very detailed and fully cater to what I need. It's also simple to read and follow. Many dishes might not be new to me but all of them are very carefully chosen in terms of quality and taste.

Love paleo recipes! The techniques presented are very helpful and the recipes in this book are complete and very tasty so far! Recommended!

A good collection of 25 instant pot recipes. Very well composed with easy to follow directions. What I

like the most that it is a good combination of veg and nonvegetarian recipes along with soups and desserts too. it is a bargain for 99c!! recommend this book.

At first I was intimidated due to all of the stories I had heard about pressure cookers. I searched for a cook book that had a variety of recipes with clear easy to follow directions. This book filled all of my requirements . My wife and I have nothing but high marks for the book. It's beautiful, it has clear directions, helpful tips, humor, and ingredient lists that I already have stocked and on hand. We are very pleased and very impressed.
