Synopsis

When shy programmer, Charlie, is dragged to a "Magic Mike" club in Hollywood by his co-workers, the last thing he expects is to be pulled onstage. But when he's approached by Ramon, a dancer whose only focus is to bring him pleasure, something awakens in Charlie that can't be denied. But heated attraction can only go so far when one man dreams of true love and a life finally fulfilled, and the other is still grieving the one he lost, and the mistake that cost him everything. Can a realist and a dreamer from two different worlds move forward and build a future together, or will their painful pasts keep them from fulfilling their destiny?***This standalone is a M/M love story with graphic sex.***

Customer Reviews

Charlie spends his quiet life taking care of his sister and writing code. When his co workers are all going to a male strip club for a bachelorette party he reluctantly tags along. When he is hauled up on stage he can't believe it. But a dancer, Ramon, dances right into Charlie's life the way it is supposed to be for them. Ruth Clampett writes an awesome love story between Ramon and

Charlie. Charlie realizes he's been out of life for too long. This sweet, hot, and awesome love story follows the ups and downs of a relationship like any other. I enjoyed reading "Encore" I met Ramon as a supporting roll in "Unforgiven" And happily reconnects with the characters from that book too. A super m/m stand alone story. Worth the read

This was a sweet M/M story. I loved the chemistry between the characters and the cameo from Jason and Dean at the end made me so happy.

I received a copy of this book in exchange for an honest review for Stephanie's Book Reports. Charlie is a shy programmer who is dragged out to a male revue show in Hollywood by his co-workers. The last thing he expects though is to be pulled on stage by one of the hottest guys he has ever seen in his life. When Ramon dances for Charlie bringing him the greatest pleasure he has ever know, something awakens in Charlie that can not be denied. However heated attraction only goes so far and Charlie has dreams of true love and finally a fulfilled life. Ramon though is still grieving the one he lost and a mistake that could cost him everything. Can a realist and a dreamer coming from completely different worlds move forward together and build a future together or will their past keep them from fulfilling their destiny? Encore is a m/m romance. Oh what a romance it is too. I loved Charlie and Ramon each as characters. They are polar opposites. Charlie is a numbers guys and thinks everything through to the fullest before he ever does anything. He is super responsible and the way he cares for his sister will melt your hearts. I have such respect for this characters. He has endured a lot and put himself last always. Even when it comes to his happiness. Ramon came for a poor family and has huge dreams of being a club owner one day. He however was young and trusted the wrong people in Miami and that could cost him everything. He has also loved and lost fairly quickly but knows that is is like to be free and who he is unlike Charlie. You could say they are poplar opposites. There is also a whole cast of other characters in the book for you to fall in love with to. They are all equally amazing and I was invested in this book and how everyone's lives might turn out. Encore is a beautiful story that will keep you one your toes and cheering for all the characters as you read. The love story captured my heart and I rooted so hard for what I wanted to happen to happen. Thank goodness it did. This was also the first book I have read by Ruth Clampett and I loved every second of it. She has an amazing writing style and has to have a huge heart because you can feel it pouring from the pages. I can't wait to read something else she has written. If your a fan of m/m romances Encore is a must read. If you have never read a m/m romance Encore is a great one to be your first one. Your going to love it, I promise.

4.25 StarsAwww, that was cute!This book was really adorable and heartbreakingly moving somehow.Poor Charlie is such a sad and lonely person ... he has his sister and she's the best, but he worries about her. And he feels guilty for everything that happened.He wants to finally fall in love! Only he thinks he's not really worth it. But Ramon is worth everything to him, and he tries so hard to finally get that HEA with him.Ramon has lots of demons from his past life that followed him to LABut, of course we'll get to that Happy End eventually.~^~ It might take some time, but we'll have a great time watching those two boys fight for their happiness!Great gay romance. Adorable and romantic and sweet and a bit naive new-adult-coming-of-age-ish.That age part is also the part that bothered me a bit. I have no idea how old anyone in this book is.I hated that a bit. It's never mentioned. I had no idea if Charlie is 32 or 22 - I'd go with 23 now because it was mentioned that his parents died 6 years ago when he was a junior in high school - no idea how old you are as a junior in the US, but I guess 23 should be his correct age now.But his high school friend Leo is now a senior programmer at Google? Can you be that just one year out of college? No idea. I don't like it when authors don't tell us the ages. Almost as much as I hate not being in a real place - that's not happening here - we're in LA!!! ~^~I was also a bit unsure about the writing. This is only my 2nd RC book and like with the first one I didn't really love the writing. No idea what it is though. The way Ruth creates and structures some sentences is just weird.But, don't worry, it's probably just me. I still loved the book!It was an adorable romance with lots of sweet and sexy and fun and moving moments.Lots of great characters too. Especially towards the end, where we meet the boys from UNFORGIVEN again ;) Ramon played a big part in their book - so you might want to read that first!~^~ ENCORE was an adorable & moving new adult gay romance about two boys fighting for their place in life & love! Run to your nearest for your own Charlie & Ramon - these two are MINE!!!
