Mozart's Operas: A Critical Study (Clarendon Paperbacks)

Synopsis

Originally published in 1913 when most of Mozart's operas were still almost completely unknown in Britain and America, Edward J. Dent's classic study is now reissued in honor of the 200th anniversary of the Mozart's death. Thoroughly revised in 1947, and now featuring a new introduction by one of today's most distinguished opera scholars, Winton Dean, this volume offers a whole new generation of readers access to the seminal work on Mozart's opera. Dent was fundamental in reviving interest in the great composer's opera, and his translations of the librettos did much to popularize them with English-speaking audiences. For each of the major operas Dent examines its composition, explores the background of its libretto, provides a synopsis of its plot, analyzes its music, and offers a lively discussion of the work's public reception. In addition, he blends his study of the operas with much biographical detail, shedding light not only on the composer and the opera of his time, but on the whole eighteenth-century world of music in which Mozart thrived. Anyone interested in opera in general and Mozart in particular will find this book indispensable.

Book Information

Series: Clarendon Paperbacks

Paperback: 296 pages

Publisher: Oxford University Press; 2 edition (August 1, 1991)

Language: English

ISBN-10: 0198162642

ISBN-13: 978-0198162643

Product Dimensions: 5.4 x 0.7 x 8.5 inches
